

Protection of personal data

Privacy Information for visitors of THERMACUT, k.s., websites.

Introduction

Thank you for visiting the THERMACUT, k.s. website. Thermacut is a manufacturer and seller of thermal cutting and welding systems, parts, and accessories.

THERMACUT, k.s. complies with a high standard of **personal data and privacy protection** for visitors of their websites and this Information page provides an overview of the principles for processing and protecting their data.

All the procedures and measures taken by our company, adopted and implemented in this area, are consistently based upon current legislation regarding the protection of personal data and privacy, in particular:

- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (**General Data Protection Regulation**) (further on just “Regulation”);
- Adaptation of the legislation of the Czech Republic, as well as
- **Civil Code, No. 89/2012 Coll.**, and **Act No. 480/2004 Coll., on certain Information Society Services**

In the event of any changes to the legislation in question, those procedures and measures shall continue to conform to legal regulations and changes.

THERMACUT, k.s. as a personal data processor

In the case you provide us with your personal data in connection with our offer of goods and services and we further process the data collected, we become a **personal data controller** (known hereafter as “Administrator”) with responsibility for proper processing and protection of this data.

Our company **THERMACUT, k.s.**, with a registered office at Sokolovská 574, Mařatice, 686 01 Uherské Hradiště, IČO: 469 63 715, registered in the Commercial Register of the Regional Court in Brno, Section A, File 26299, as an administrator, is a company dealing with production and sale of systems and parts for thermal cutting and welding.

THERMACUT, k.s. as an administrator performs all processing of personal data on and in accordance with the obligations and requirements arising from the General Data Protection Regulation and other related legal regulations.

Processed personal data

THERMACUT, k.s. in connection with its business activities operates and uses websites for presentation and promotion.

In general, there is no need to actively input any entry or access information and data that may be personal in nature to use our website. The provision of personal data is required only in specific cases, where we will need to contact you or communicate with you.

As a general rule for the visitors of our website, we collect only technical data such as IP address (internet protocol), browser type, Internet Service Provider (IPS), date/time, link/exit pages, clicks to analyze trends, etc., which are not associated with any information identifying a particular person.

We process only the personal data you provide to us in specific cases in relation to the purchase of our offered and sold goods and / or the provision of related services, whether in the buyer or supplier capacity.

In such cases, we typically require the following personal identification to complete the transaction or other procedure or action: first and last name, address of company or residence, Company registration No., VAT number, e-mail address, and phone number.

Any processing of personal data is always tied to the **intended purpose** and this purpose corresponds to the relevant **legal title** of processing within the meaning of Article 6 of the General Regulation on Personal Data Protection, in particular: performance of the contract/negotiation of the contract, fulfillment of legal obligations of the administrator, and legitimate interests of the administrator.

Data subjects and their rights

In the case of THERMACUT, k.s. processing your personal data as the Administrator, you are in the legal position of the **data subject** who has all rights against the administrator, under the General Data Protection Regulation.

As a data subject you have the following rights towards the data controller, within the meaning of Articles 15 to 22 of the Regulation:

- **the right of access** to personal data, in particular the right to request information from the controller about the processing of your personal data;
- **the right to correct** personal data if the data is inaccurate;
- **the right to delete** personal data (the “right to be forgotten“);
- **the right to limit the processing** of personal data;
- **the right to object to the Controller** processing your personal data;
- the right not to be subject to automated individual decision-making, including profiling (with exceptions).

In addition, the data subject has the right to file a complaint with the supervisory authority, which is:

Office for Personal Data Protection

Pplk. Sochora 27

170 00 Prague 7

E-mail address: posta@uouu.cz

Security of personal data

In any processing of your personal data, we place an emphasis on effective protection against leakage or misuse, in particular through the necessary technical measures and security of our site and other information systems and SW applications that we use, as well as through binding internal procedures and organizational rules for processing personal data including the duty of confidentiality from our employees.

In this regard, our company has also issued the **Directive on the processing and protection of personal data at THERMACUT, k.s.** and has adopted specific technical, organizational, and other measures to ensure protection of both automated and manually processed personal data.

In specific cases, further processing of personal data may be entrusted to another person – the **personal data processor** – and this processing is regulated in detail by a contract for the processing of personal data which, according to the General Regulation of Personal Data Protection, provides strict technical and organizational rules for effective protection of data processed by the processor.
