

Disposal of the Ex-Trafire plasma arc power supply

Appliances which are labelled with the adjacent symbol must not be disposed of in household waste. You must dispose of such old electrical and electronic equipment separately.

Please check with your local authority about the possibilities for correct disposal.

Through separate disposal you send old equipment for recycling or for other forms of re-use. You will thus help to avoid in some cases that damaging material gets into the environment.

Disposal of the packaging

The packaging consists of cardboard and correspondingly marked plastics that can be recycled.

Make these materials available for recycling.

It is not allowed to treat this product or parts of this product as domestic waste!
